SPECIALISTS IN HISTOPATHOLOGY

ANATOMICAL PATHOLOGIST

Australian Gastro Pathology (a subsidiary of InfinityPATH) are seeking a full time onsite Anatomical Pathologist specializing in the Gastrointestinal field to join our growing team at **AGP**.

Australian Gastro Path (AGP) has built its foundation around patient care and our vision is to deliver the same world class pathology service to gastroenterologists and other gastric specialists across the country. **AGP's** vision is to connect our team of highly experienced gastric pathologists with clinicians to provide ethical, high quality and innovative services to optimise patient care. We are one of the pioneers of advanced Lab Information Systems (LIS) in Australia, designed to facilitate efficient high-quality reporting for our pathologists and to enable easy communication of information.

AGP is located in a thriving Brisbane suburb, surrounded by cafes, restaurants, fitness facilities and offices with natural light and external views. **AGP** creates a friendly, family-like environment, supported by a dedicated team of scientists and office staff and as there are no frozen section or on-calls duties, you will be ensured of an excellent work/life balance.

With regular multi-header sessions to discuss the interesting cases, access to nationally recognised experts in the field (both on-site and off-site) and support for participation in national and international conferences, you will be able to further develop your expertise.

A competitive Salary package including conference leave and allowance will be offered and relocation expenses can be negotiated if required.

The successful applicant will require Fellowship of Royal College of Australasia (FRCPA) and must be eligible for Specialist Registration with AHPRA. Expressions of interest from both experienced and junior pathologists are welcome.

AGP have arrived and are ready to deliver a better gastro pathology experience - Be a part of the team making a difference in the pathology industry - come and join the **Australian Gastro Pathology** team!
